## MONTECITO FIRE DEPARTMENT

An Independent Fire District

November 1, 2018

Santa Barbara County Board of Supervisors  
105 East Anapamu Street  
Santa Barbara, CA 93101

Supervisor:

Please consider this letter verification that the Montecito Fire Protection District Board of Directors strongly supports the creation of a Regional Fire/Emergency Medical Service (EMS) Dispatch Center.

As you know, a Regional Fire/EMS Center will maximize our ability to provide service to our community and the entire operational area. This Center will allow the closest, most appropriate resource regardless of jurisdiction to be dispatched to all Fire/EMS incidents, streamline multi-agency incident response, maximize efficiency and provide for redundancy in our emergency communication system.

We look forward to being active participants in the collaborative process required to make this Regional Fire/EMS Dispatch Center a reality in the very near future.

Respectfully,

John Abraham Powell, President

## STAFF REPORT

---

**Prepared for:** Montecito Fire Protection District Board of Directors  
**Prepared by:** Chief Hickman  
**Date:** November 26, 2018  
**Topic:** Establishing Appropriations Limit for FY 2017-18

---

### **Summary**

---

In July 2017, Staff started working with former Auditor-Controller, Bob Geis, to recalculate the District's Appropriations Limit by taking into consideration all factors that are allowable by law. On January 22, 2018, the Board of Directors approved Resolution 2018-09, which retroactively updated the appropriations limits from fiscal year 1991-92 through 2016-17. This report summarizes the factors used to calculate the appropriations limit for fiscal year 2017-18.

### **Discussion**

---

California voters, in November of 1979 passed Proposition 4, which added Article XIIIIB to the State Constitution. This article establishes limits on the appropriation of proceeds of taxes. In June of 1990, the voters passed Proposition 111, which updates the State's and local agencies' appropriations limit calculation to allow for new funding, while still providing an overall limit on state and local funding.

Prior to the passage of Proposition 111, the limit was based on the 1978-79 proceeds of taxes adjusted annually for population and cost of living changes. Proposition 111 established new cost of living factors and new population factors for use by local governments.

**Cost of Living:** Local governments may annually choose, by a recorded vote of the governing body, either:

- The change in California per capita personal income (3.69% for FY 2017-18), or
- The percentage change in the jurisdiction's assessed valuation attributable to non-residential new construction (6.92% for FY 2017-18).

**Population:** Since Montecito Fire's jurisdiction is located in the unincorporated area of the County, use either:

- The change for the County (0.76% in FY 2017-18), or
- The change for the unincorporated area of the County (0.82% in FY 2017-18).

## Conclusion

---

Staff is submitting to the Board of Directors a report and resolution for FY 2017-18 for the Montecito Fire Protection District that selects:

- The change in the District Non-Residential New Construction factor of 1.0692, and
- The change in the unincorporated area for the Population factor of 1.0082.
- This results in an increase in the appropriation limit by a factor of 1.07797 to \$11,918,248.

The Board has the option to:

- a. Accept the report of the Proposition 4/111 Appropriations Limit as shown in Exhibits I and II for FY 2017-18 and Resolution 2018-17.
- b. Amend, modify or reject the above option.

Fire Chief Chip Hickman  
Montecito Fire Protection District  
595 San Ysidro Rd.  
Santa Barbara City, Ca 93108

Dear Chief Hickman,

As Strike Team Leader Trainee during the recent deployment of XSB1521C to the Delta Fire in Shasta County, I would like to take a moment to express my thanks for your department's support, as well as the work of your members.

Engine 391 led by Captain Ben Hauser, Engineer Dana St. Oegger, Firefighter Dan Arnold and Firefighter David Johnson worked hard each and every day and demonstrated a positive attitude and work ethic. The crew worked collaboratively with the other resources on the strike team and I was easily assured that their efforts would be completed diligently and safely. The crew was always prepared, on time, knowledgeable, and safe. This level of professionalism and work ethic afforded me the opportunity to remain focused on the big picture and support the crews and division resources.

While I am sure these comments come as no surprise, you can continue to be proud that your firefighters represented the community of Montecito and your agency with true professionalism. It was a pleasure to work with them and I look forward to the next opportunity.

Respectfully,

Sally Jordan

Dear Chip,

A year ago.... and it seems like yesterday... we were all together at the Coral Casino joyfully celebrating our incomparably capable, incomparably compassionate, incomparably professional firefighters... laughing and dancing. Yet, how vividly I remember that as they danced with such fun and merriment... each had his cell phone protectively clipped to his or her belt. Ready... always ready!

None of us knew or suspected that  
only a few hours later in the pre-  
dawn moment... catastrophe struck.  
Still... you courageous defenders were  
ready... always ready.

It was our spontaneous firefighters  
who stood between us and disaster!

I shall never forget that it  
was your valor that saved our  
beloved community — and you are  
in my grateful prayers for your  
safety — every day.

May God bless you all, as He  
has surely blessed us with your  
selfless service!

Sally

Dear Montecito Fire Dept,

We want to give sincere thanks  
for your sacrifice! Our trees, hill  
of our yard, and neighborhood was  
completely surrounded by fire!

We truly appreciate your  
hard-work and our so  
humbled that would sacrifice  
your lives to save ours.

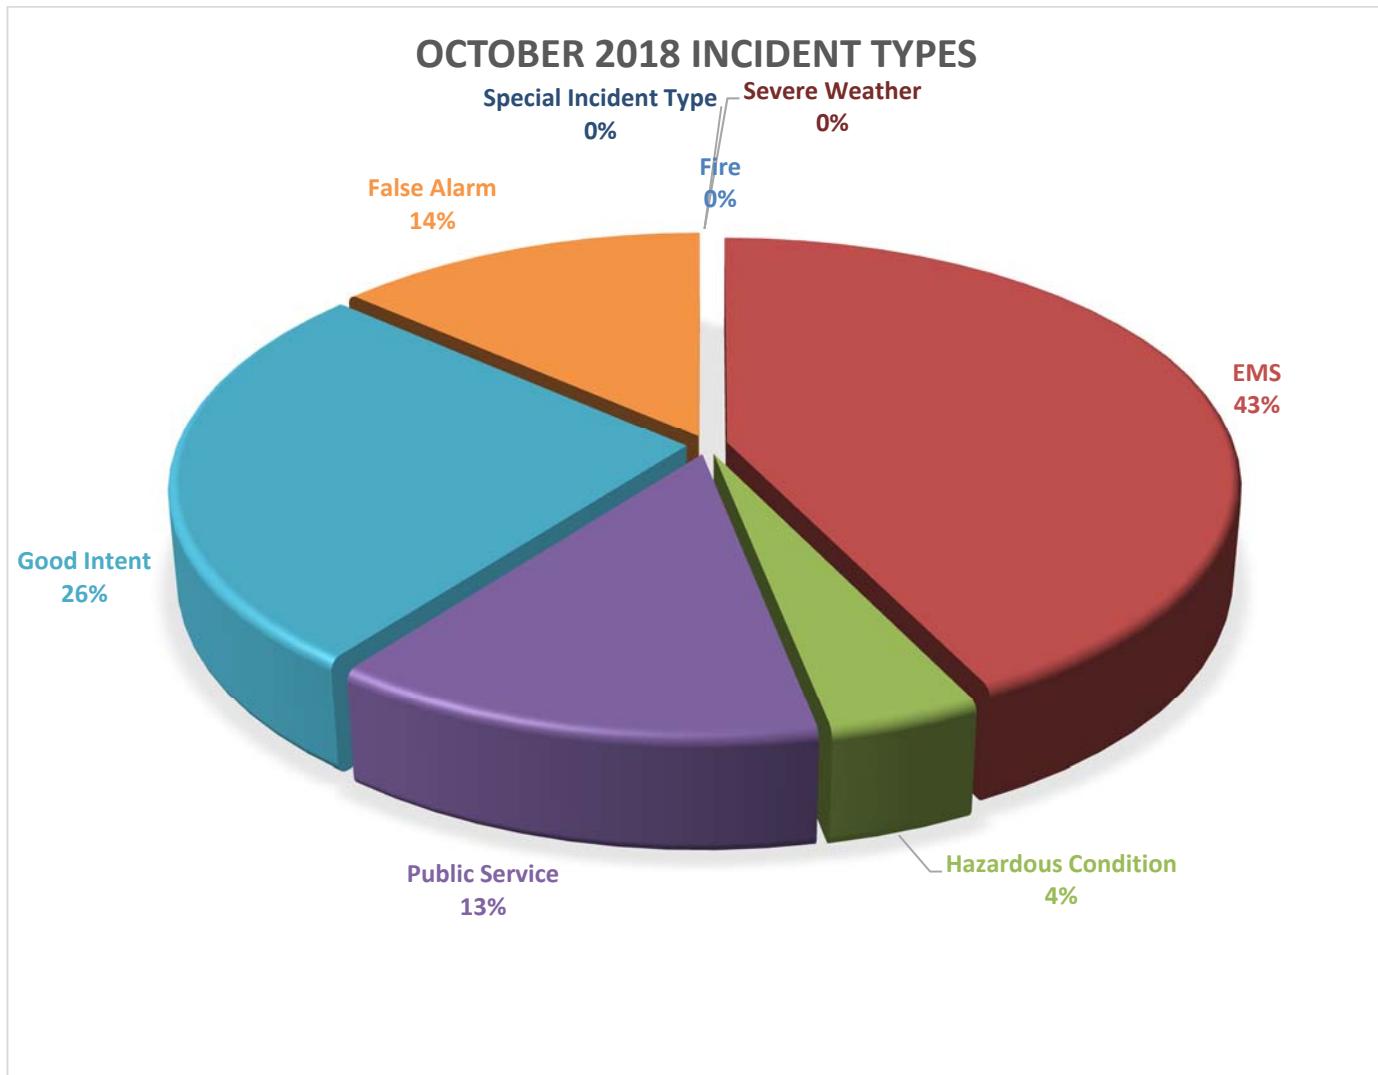

May God bless you and  
your families. We pray  
that you are safe!

Love,

James, Lexi, Haylee
