WHEREAS, the Montecito Fire Protection District ("Fire District") is a fire protection district duly organized and existing pursuant to the Fire Protection District Law of 1987 codified in Health & Safety Code section 13800 et seq.; and

WHEREAS, the Fire District is committed to preserving and nurturing public access and participation in meetings of the Board of Directors; and

WHEREAS, all meetings of the Fire District's Board of Directors are open and public, as required by the Ralph M. Brown Act, codified in California Government Code section 54950 et seq. ("Brown Act"), so that any member of the public may attend, participate, and watch the Fire District's Board of Directors conduct their business; and

Kevin Taylor, Fire Chief  
Montecito Fire Protection District  
595 SanYsidro Road  
Santa Barbara, CA. 93108

Dear Chief Taylor,

Battalion Chief Anthony Hudley served as my Strike Team Leader Trainee on a mixed Type III Engine Strike Team (1521C) during the Dixie Fire from September 6-20, 2021. Anthony was very professional and demonstrated exceptional leadership and coordination skills. During the assignment, Anthony gained the confidence of the Division Group Supervisor (DIVS) and we were asked to split up to assist in his span of control. The DIVS sensed that Anthony had the ability to run the Strike Team and used me to oversee 10 single increment engines in a distal area of the division. Although unconventional to split up the trainee from the leader, Anthony had gained the trust of both myself and the DIVS and I was able to monitor his performance throughout the operational periods. His performance was exceptional including working with hand crews, dozers and aircraft during an active 4-acre slop over fire.

In addition, Anthony went out of his way to assure the needs of the strike team were met. His positive personality and demeanor was accepted well by the strike team. It was a pleasure to work with him, he reflects a true professional image for your agency.

Sincerely,

**Robert M. Kovach**
